

September 2018 Entry

# Master of Social Sciences in Psychology

Application closing date: 26 January 2018

The Master of Social Sciences in Psychology programme provides university graduates in fields other than psychology with an opportunity to acquire a solid foundation in psychology through eight courses and an individual research dissertation. It is designed to bring students to a level where they qualify for graduate membership of the Hong Kong Psychological Society, and become eligible to apply for programmes leading to the degrees of M.Soc.Sc. in Clinical Psychology and in Educational Psychology, as well as the research postgraduate degrees in psychology.
